November 6th Is Date for 1942 Home Coming

Rationed Gas and Tires, Plus Alumni In Armed Services Will Decrease Attendance

November 6th is the annual Home-Coming date for the boys and girls of Barium Springs, but many of the faces of those who have been annually attending will not be here on that Friday in the fall of 1942. That is because so many, many of the young fellows who each year came back to their home at Barium are scattered to the four winds of the earth in Uncle Sam's forces and won't be able to "make" it this year.

In addition to this, there is the matter of transportation this fall with rationed gas and limited rubber. A great many of the alumni have been coming back in their own cars, but in the majority of cases that is not going to be possible this fall. However, a good many live within a comparatively small radius of Barium Springs and it will be these who will largely comprise the alumni who will be back here on the 6th of next month.

The former secretary of the alumni Association is no longer living in North Carolina, for this was Miss Lucile Burney, who was married to Sergeant Fred Edwards in May and is now living in California. She had been annually sending out a letter to the alumni, but it is not known whether this will be done this fall. An election of officers will occur at the November meeting of the alumni, and the new secretary will take over.

It is a coming home in the truest sense of the word for these former residents of the home, and because of this, very little in the way of an extensive program is ever planned. The alumni seem to prefer to go about and meet their friends and spend a minimum amount of time in a meeting. Perhaps one of the features of the brief meeting that will be held will be the reading of the names of all boys annd girls in the services, with the possible addition of many others who have gone in who will be known to the returning alumni.

In the afternoon there will be a football game with Troy high school. Because so many graduated last year, the local footballers have not been making the usual record of Barium's teams, but the visitors can be assured of an excellent contest on November 6th. Barium seems to play better than usual when it is Home-coming.

Thanksgiving Sums Already Arriving

Between October 8th and 17th eight Thanksgiving Offerings were received at Barium Springs, the initial one of the 1942 season reaching here on October 8th. These eight Offerings totaled $343.00, and with two exceptions all of them were credited to certain churches within the Synod at the request of the individuals who were sending their personal donations to Barium Springs considerably more than a month before the date of Thanksgiving.

Most of these people had sent Thanksgiving contributions in 1941. Each donation this year was as much as in 1941 and in several cases the amount contributed was more, all of which was encouraging to the authorities.

Any person who wants to send his or her Thanksgiving response early can do so, and it will be credited to the church of which you are a member, when that information is furnished. The main emphasis on the Thanksgiving season will not start in the churches until after the completion of the Emergency Home Mission fund effort on November 8th.

Committees Named By Board President

Dr. S. H. Fulton Has Made the Appointments for the 1942-1943 Year

Since the meeting of the Board of Regents at Barium Springs the latter part of September. Rev. S. H. Fulton, D. D., of Laurinburg, Board president, has announced the appointment of the various committees that will function for the next 12 months. Since there may be Presbyterian friends who will want to contact the various committees, the full personnel of each one is being published below:

Finance Committee: J. S. McKnight, Chairman, Shelby; John A. Scott, Statesville; Mrs. A. Jones Yorke, Concord; J. Archie Cannon, Concord; Mrs. George Patterson, Gastonia; Rev. George Mauze, D. D., Winston-Salem.

Orphanage Work Secretary Says:

It is a pleasure to bring you greetings from the Woman's Auxiliary of Albemarle Presbytery.

The summer is over and the time has come to plan for the "high spot" in the year's work, the November program on Barium and the Thanksgiving offering. Let us strive to attain 100% in both of these things this year. A Catechism will be published soon, based on questions asked by the various delegations visiting the Home. Each secretary will be supplied with copies for all her members. This Catechism will be helpful in planning the special program.

We are very proud of the part that Barium is playing in the war effort. Often we hear of her boys in the armed forces of our country and the "Memorial Fund" is being invested in war bonds until such time that the memorial church can be built.

Give Barium a large place in your hearts and your prayers. These children are counting on you.

Sincerely yours,
MRS. E. E. PHILLIPS,
O. W. Secretary, Albemarle Presbyterial, Washington, N. C.

Barium Graduate Tells Experience In Crash

Lieut. Dewey Barnhill Recounts His Thoughts Before Plane Comes Down

First Lieutenant Dewey Barnhill was on a plane that crashed in the Southwest Pacific some time ago and in that crash the pilot lost his life. The story of the crash was dramatized over the Columbia Broadcasting System in its Sunday evening feature, "They Live Forever", and this Barium graduate who was bombadier on the plane was quoted in the dramatization.

Just recently Rev. Thomas C. Cook, pastor of Little Joe's Church at Barium Springs, has received a letter from Lieut. Barnhill telling of the accident and the thoughts that passed through his mind before the plane went down. What he wrote will be of universal interest to all Americans and especially to those who support the Home at Barium Springs.

Excerpts from his letter follow:

"The day we had our accident I knew for nearly two hours before we landed that we were going to crash and what our chances were of coming out alive. During that time all we could do was sit and wait for our plane to go down. We had no idea just when it would happen but all of us knew that we couldn't make it into our own field.

"All the time I sat there I kept praying. From the first I felt that those prayers would be answered for none of the crew became frantic. We sat together smoking and talking as if nothing was wrong. We even had a good joke or two that created laughter.

"When we finally saw land a cheer went out from all of us and the tension was relieved. Then I thanked God, for I knew it was His work.

"When the pilot told us to jump no one did for we had great faith in him and we felt that we were safer with him. The sad thing was that we had to leave that man there. Before we left I called all the men together and we said a short prayer. We quickly turned and started our trek through the jungle and not a man looked back but there wasn't a dry eye among us.

"I have had many close calls but I feel that the Lord will bring me through."

Limited Number of Mite Boxes Available

No new order for mite boxes was given at Barium Springs this year, but there is a very limited number of boxes which have been left over from prior years when they were used principally in the Sunday Schools. If any superintendent wants these for his organization they can be obtained by writing to Ernest Milton, Barium Springs, and the orders for mite boxes will be filled just so long as they last. An ample supply of Thanksgiving Offering envelopes is going to the Auxiliaries and to the pastors of Churches and will be available to the Sunday School members.

Catechism on Barium Published This Fall

To Be Used As An Auxiliary Program.— Will Appear in November's Messenger

For the fall meeting of the Auxiliaries of the Synod of North Carolina has been published a "Catechism on the Presbyterian Orphans' Home", and 25,000 of these have been published and distributed to the local Orphanage Secretaries. It was suggested that the Auxiliaries have a written "quiz" on these catechisms at the November meeting, the names of those getting the highest grades to be later published in The Barium Messenger.

The greater majority of the questions and answers are queries which have been asked of officials by visitors to the campus here, or in meetings held throughout the Synod. The first part of the catechism, though, was devoted to the history of the Home, since a good many people were not familiar with the gradual development of the Home from a single building and 12 children to the present large family and plant.

Extracts from this catechism will be used in the leaflets that are to be printed and distributed about Thanksgiving time to all of the churches through the local committees that are being formed to emphasize the Thanksgiving Offering. The selection will have to be limited, for the catechism makes 12 pages of a little booklet 3½ inches by 6 inches.

It is hoped that the local Orphanage Secretaries will see that every book is given out and that one is placed in each Presbyterian Home. However, for those that do not receive the catechisms, it is the present intention of Barium Officials to use all of the questions and answers in the November issue of The Barium Messenger. If you did not get a catechism, watch for the November Messenger.

Rev. S. H. Fulton Is Board President

Regents Attend Semi-Annual Meeting in September.— Small Number Present

Tuesday, September 29, the Board of Regents of the Presbyterian Orphans' Home met in semi-annual session here and selected Rev. S. H. Fulton, D. D., Laurinburg, as president of the Board for for 1942-1943. Mrs. George Patterson, Gastonia, was named vice-president, and Mrs. Coit Robinson, Lowell, secretary.

Dr. Fulton succeeds Dr. J. R. McGregor, formerly of Burlington as head of the board; Mrs. Patterson is successor to Mrs. George Norfleet, Winston-Salem, who presided at the session as the retiring vice-president, and Mrs. Robinson replaces Miss Lucille Johnston, High Point, at the secretarial post.

Rev. George Mauze, D. D., pastor of the Winston-Salem First Presbyterian church, was selected by the Regents to fill the unexpired term of Prof. John W. Moore, superintendent of the city schools of Winston-Salem, who has resigned.

New members attending their first meeting were Mrs. Coit Robinson, Lowell, and J. Archie Cannon, Concord. Another new member, Mrs. J. M. Hobgood, Farmville, was unable to be present.

Semi-annual reports were given the Regents by Jos. B. Johnston, superintendent, and Ernest Milton, treasurer. These principally dealt with the events that had transpired since the May meeting and were largely concerned with routine matters.

In addition to his regular report to the Board Mr. Johnston made a special presentation of the health program, using pictures of various children and groups of children showing the progress that had been made in health. Much has been accomplished through the annual health and tuberculosis clinics each January and from year to year different practices have been instituted to make the annual clinic more comprehensive and effective.

Mr. Johnston revealed that since he began his work at Barium Springs in July of 1922, that there had been nine deaths, with none occurring since June of 1933 and only one since July of 1926.

The attendance was below par, due to the gas and tire rationing which kept some of the members from distant places from attending this fall meeting.

RUMPLE HALL

Hello Folks,

The Rumple Hall girls are on the air again to bring you the latest news.

The following have had recent visits from their people: Ann Pope and Willie Mae Robinson.

Ila Lee McBride spent a weekend in Statesville with Mr. and Mrs. Ed Flowers. She reported a good time.

Several of the girls have had birthdays. They are Janie Hall, Helen Vinson and Nita Shepherd. Two of them got a nice little "ducking" in the bathtub.

School has been going on for more than a month now and we like all of our teachers.

Mary Ruth Gregory has gone to the Infirmary to live for a while. We hope she likes it down there.

We had our first football game on home grounds Friday and lost, but the smaller team played Saturday morning and won.

Our trees on the campus are beginning to show that fall is in the air. The maples are turning to shades of gold and red. Come around to see us when you can and enjoy the sights.

It is nearing time for our feet to be fitted for winter. We are looking forward to that, for it means a trip into town some night after supper when the dishes are all washed and put away.

This seems to be all, folks, but we hope to be on the air again next month.

Synod Has Made Good Record in Six Months

September Receipts Were Far Ahead.— Increase of $1,432.25 At Halfway Point

September's receipts from the Synod of North Carolina were the best of any of the first six months of 1942-1943. Not only was this true, but the income from Synod last month was $830.19 better than in September of 1941. Since Synod had been showing increases in most of the previous months, this means that the Churches, Sunday Schools and Auxiliaries had given Barium Springs $1,432.25 more in the first half of the Church year now under way.

This announcement is gladly and happily made, for it has meant a considerable amount of rejoicing that such a substantial gain could be made between April and September. Officials would be feeling better, though, if the October donations had been holding up to those of October, 1941. On the 20th of October there was a difference of $628.65 in that which had been posted from the Synod as compared with the same date of 1941.

No Thanksgiving Offering had been received for the September report, though there will be several sums recorded for the month of October in next month's copy of the paper. Through October 31, 1941, $231.00 had been posted as Thanksgiving Offering. More than that had already been received in October of 1942 before going to press with this issue of The Messenger.

In the first six months, Presbyterian friends have averaged slightly less than 20 cents per member in the Synod, or 19.8 cents, to be exact. That's over 40 cents less per person that is needed to take care of the needs, but this per capita giving by Synod is going to climb soon with great rapidity when the 1942 Thanksgiving response is made.

Here's the lineup of Presbyteries in their giving through the sixth month:

Presbytery	Ch.	S. S.	Aux.
Albemarle	$ 141.29	$ 446.35	$416.88
Concord	938.36	1,684.22	378.34
Fayetteville	382.40	1,433.12	174.77

Wilmington	690.47	717.64	148.73
Winston-Salem	829.10	438.26	240.64
SYNOD	$5,810.93	$9,369.12	$3,273.00

The grand total received in the first six months was $18,453.05, of which amount Sunday Schools had sent $9,369.12, or 50.7%; Church budgets had dispatched $5,810.93, or 31.5%. and from Auxiliaries came $3,273.00, or 17.7%. All of these sources were ahead of last year, but the notable increase came from Sunday Schools which showed a gain of $1,209.55 in six months. Detail on the regular income follows:

Presbytery	Sept. Receipts	Am't Per Mem. for Sept.	Total Per Mem Year
Winston-Salem	315.56	5.8c	27.9c
Kings Mountain	435.00	6.8c	25.2c

Data Furnished On Thanksgiving Gifts

Elsewhere in The Messenger Is Detail on 1940 and 1941 Gifts and Best in 17 Years

To the Thanksgiving season of 1941 goes the distinction of having the largest number of churches giving their greatest Thanksgiving responses in the past 17 years A total of 94 churches touched new highs for that span of years last fall. Usually, the greatest number has been away back yonder in 1925, but that had to take second place with 77 when the statistics were prepared for the October issue of The Messenger.

Elsewhere in this issue of the paper will be found the names of 533 churches or mission points. There are more than that number of churches and missions in the Synod, but when the name does not appear it means that no Thanksgiving Offering has arrived for the past two years.

Listing all of this in The Messenger takes up a considerable amount of space, it is realized, but it has found that these annual tabulations have been the incentive for some churches to do better than ever before and win the honor of breaking a long-standing record in their giving during the Thanksgiving period of the year.

The extremely lean years of Thanksgiving Offerings understandingly occurred in the falls of 1931, 1932 and 1933. Those were the bottom-depression years. In 1931 and 1932 only five churches for each year have their highest aggregates and only six in 1933.

Considerably more than half, or 293 of the churches have had their best Thanksgiving sums in the past eight years, and during most of those eight years there has been the effective functioning of a Synod's committee to promote the interests of this Home - a committee that has now become a Permanent Committee of Synod. It is to this committee that large credit is due for the outstanding records of recent years, and some of those time-honored peaks are expected to be surpassed in the fall of 1942 as this group of ten men directs the emphasis throughout the entire Synod.

Below will be found data on the number of churches in each of the past 17 years when their top-flight Thanksgiving sums were contributed:
